

"AKU PAPUA"

(Edo Kondologit)

Tanah Papua tanah yang kaya
Surga kecil jatuh ke bumi
Seluas tanah sebanyak madu
Adalah harta harapan

Tanah Papua tanah leluhur
Disana aku lahir
Bersama angin bersama daun
Aku di besarkan

Ref.:

Hitam kulit keriting rambut - aku Papua
Hitam kulit keriting rambut - aku Papua
Biar nanti langit terbelah,
Aku Papua

"I AM PAPUAN"

(English translation)

Papua, a land of abundance
A little piece of paradise on earth
A land as vast as the sea
A treasure of hope

Papua, the land of my ancestors
There I was born
Amidst the wind and the leaves
I was raised

Ref.:

Dark skin, curly hair - I am Papuan
Dark skin, curly hair - I am Papuan
Even if the sky were to split apart
I am Papuan
