

Hello,

### AKU PAPUA - I'M A PAPUAN!

Being a Papuan resort, we are proud to collaborate with the local people of our area:

50% of our employees are Papuans that we sometimes train from scratch.

Some of them have been working for us for many years already.

We buy fruit, vegetables, chilis, herbs and coconut oil from the families of our neighboring village Kabui and fresh fish that local fishermen bring us every day, as well as wood, roof mats and other building material from villages surrounding us.

This allows us to support the people of our area and avoid long transports whenever possible for food and building material.

The following «AKU PAPUA»-video will give you a glimpse into the world of our Papuans.

Enjoy!

Good news for our guests: at the beginning of 2020, the Marine Park Fee for Raja Ampat was reduced.

The compulsory Marine Park Tag, valid for one year, now only costs **IDR 700'000 (approx. € 50)** instead of IDR 1'000'000 (approx. € 70).

We will organise the tag for you and give it to you on your arrival day on Pulau Pef. Should you already have a valid tag, please inform us in advance in order to avoid unnecessary costs for you!
