

Hello,

SELAMAT TAHUN BARU - Happy New Year from Pulau Pef!

We hope you had a good start into the new year.
The whole Pef team wishes you a wonderful 2021 filled with joy, happy moments, unforgettable encounters and, above all, good health!

And who knows, maybe we will soon meet again on our unique little island?

New Year, New Life

While human life around the world is currently at a temporary standstill, nature continues to evolve. The circle of life keeps on turning, and our Raja Ampat ducks have had little ones again.

Our Facility Manager Marcel captured this sweet sight on camera, and we have

no intention of depriving you of it to start off the new year:

Just in time for the beginning of the year on 1st January, some of our staff had an encounter that only happens rarely at our house reef - a Manta Ray majestically did a few laps. Did he come to wish us a happy new year?

Luckily, our snorkelling guide Tulus had his camera with him and managed to capture this special moment on film:

«Raja4Rice» continues...

Many thanks to all who have already bought rice, who continue to support the project and also to those who would like to still make a contribution!

Take me to
Raja4Rice

Sending you kind regards and a big hug from the island,
your Raja4Divers team
