

Hello,

Today, we have some good news! More than half of our staff have already received their first shot of the Corona vaccine. The rest of our employees will gradually be vaccinated in the coming weeks if they wish to. The second vaccination will follow in due time.

We are very happy to be given the opportunity by the government to vaccinate our employees early because we work in tourism. This gives reason for hope that the Indonesian borders will re-open to foreign tourists in a near future and that we will finally be able to welcome guests again on Pulau Pef.

---

### New offices for our booking representatives Doris and Caroline

If you have booked your stay with Raja4Divers directly, you have probably been in contact with **Doris Leresche-Kyburz** or **Caroline Huber** already. Perhaps you have even met them on Pulau Pef or at a dive or travel show, where they represent Raja4Divers with their extensive travel knowledge.

They work from Switzerland as booking representatives for Raja4Divers and have recently both set up new offices. We would like to take this opportunity to introduce Doris and Caroline to you.

### **Doris**

Doris grew up in German-speaking Switzerland, but has been living in the French-speaking part with her family for over 25 years. She considers travelling to other countries, getting in touch with people from other cultures and speaking different languages extremely enriching and exciting. She's fascinated to see the world from different perspectives.

Besides raising three now grown-up sons, she has been working in the travel industry for many years. While employed by several Swiss tour operators, she took care of agents and customers in the French part of Switzerland, organised workshops, and accompanied study trips to Zanzibar, Oman, India, the Seychelles and many other impressive destinations.

Doris has been handling inquiries and bookings from French and English speaking guests as well as from agents for Raja4Divers since 2012. Before the pandemic, she used to spend a few months a year on Pulau Pef to be able to

advise our guests with fresh impressions from paradise. We hope she will be able to visit again soon and tune into her favourite songs by our Pef Band at the resort bar.

For more information or a non-binding quote in English or French, please contact Doris by email at [info@raja4divers.com](mailto:info@raja4divers.com).

### **Caroline**

In the early 90s, Caroline's passion for travel and foreign cultures made her end up at a dive resort in the Maldives, which is where she met Maya. A close friendship developed which still continues to this day.

After a subsequent 4-year stay and training as a dive instructor at a dive centre in Egypt, love brought her back to Switzerland, where she started a family and where she still lives with her husband and their 22 year old daughter.

When Maya opened Raja4Divers in 2011, Caroline would have loved to join the team in Raja Ampat, but for the sake of her family she decided to handle the German-speaking inquiries and bookings from Switzerland.

Before the borders closed, Caroline visited Pulau Pef every year in order to keep up to date with what's happening at the resort. We hope she will be able

to visit again soon, as we miss her infectious laugh and cheerful nature!

For information or inquiries in German, you can reach Caroline by email at [info\\_de@raja4divers.com](mailto:info_de@raja4divers.com).

## Become our social media ambassador!

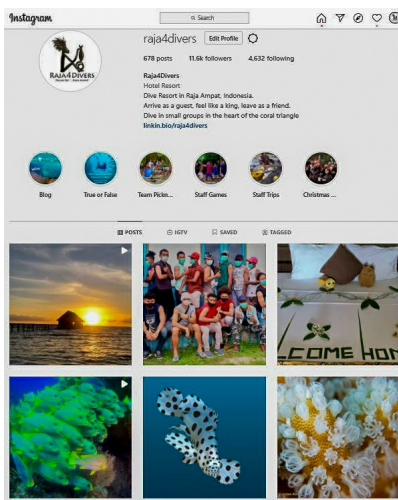

Many guests and friends inquire about how they can support us at this challenging time, in addition to our project «Raja4Rice». This made us come up with the following idea:

Are you enthusiastic about the underwater world and often post content on your social media channels? Have you maybe already visited us and fallen in love with Raja Ampat's beautiful nature? Would you like to share professional pictures and appealing videos of this region on your accounts?

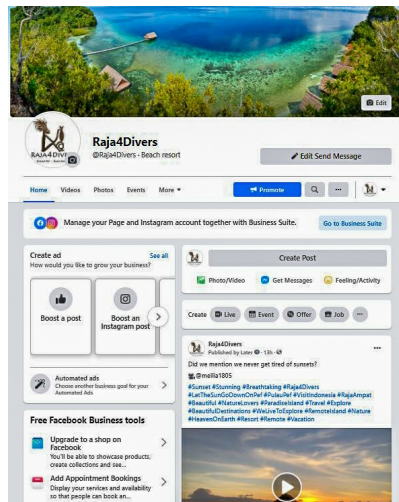

Then **you** may be one of our new **social media ambassadors**!

Be it on Instagram, Facebook or Pinterest - the longer the borders remain closed, the more important it is for us to stay in touch with our guests and friends via social media and to share the unique beauty of Raja Ampat with them.

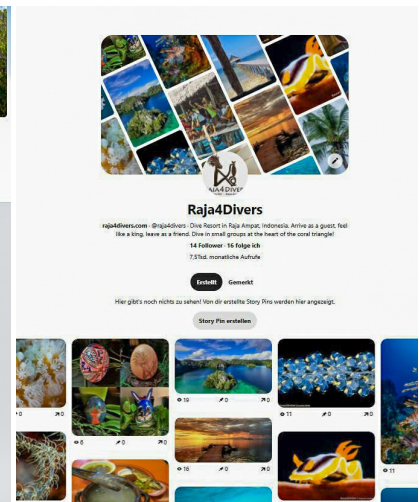

### Instagram

### Facebook

### Pinterest

In order to reach even more people, we depend on your help to share a social media post from us on your accounts once a week. As Raja4Divers' social media ambassador you will receive a direct link to the corresponding post in order to keep your effort very little.

Due to the current difficult situation we are not able to pay a fee, but we offer you the opportunity to share beautiful pictures and videos on your own accounts without much effort.

Are you interested? If so, please contact Monika at [marketing@raja4divers.com](mailto:marketing@raja4divers.com). She will let you know by email how to proceed.

We look forward to our new Raja4Divers ambassadors!

«Raja4Rice» is still needed

Many thanks to all who have already bought rice, who continue to support the project and also to those who would like to still make a contribution!

Take me to  
Raja4Rice
