

Hello,

We are currently trying to combine business with pleasure whenever possible. Among other things, we have to save on expensive fuel due to the pandemic. This is why there were hardly any boat trips last year, and our dive guides spent more than a year with almost no diving.

Hoping that the borders will re-open soon, we have now started to get our dive guides in the water again on a regular basis, work on their dive briefings, repeat various procedures and make them memorise our many dive sites again. Some things that were familiar before have fallen into oblivion during the last 13 months.

We sometimes combine these dive trips with a staff picnic for everyone at a remote little beach so that not only the dive team can enjoy beautiful excursions, but the rest of our staff also gets a chance to experience a welcome change of routine. These outings are very popular and help maintain the good mood in our team.

Here's a little video of our last picnic - enjoy!

Goodbye to our Marketing Manager Monika Frei

For almost two years, Monika managed Raja4Divers' marketing with her heart and soul from her dreamlike office on Pulau Pef. Now she has decided to return to Switzerland to spend more time with her family and friends.

She brought in many new ideas and implemented them very professionally. Among other things, she regularly filled our social media channels with content, brought this newsletter back to life, succeeded in generating various media reports, launched the video series «Dream Now - Travel Later» and wrote about life behind the scenes in her blog, thus allowing our guests and friends a little insight into life on Pulau Pef.

As for many of our staff, her tasks changed considerably during the pandemic. Instead of taking care of our guests on the island, it was important to keep them up to date via digital channels, remain present in their minds and also let them know how our employees are doing here.

We would like to thank Monika for her extraordinary commitment to Raja4Divers and wish her all the best for the new challenges that await her in Switzerland.

We will miss her very much, not only as a marketing manager, but especially as a friend and member of our Pef family.

We are still looking for a new Marketing Manager

Unfortunately, we have not yet found a suitable candidate for the position of Marketing Manager (f/m).

If you know someone or are interested yourself, you can find more information on the vacant position [here](#).

Bye-bye Yakobus!

Yakobus has been an integral part of our team since the construction phase of the resort. He always captured our guests' hearts with his unmistakable mischievous smile and his softly voiced «exkius miii» before clearing the plate from their table at the restaurant.

Now he wants to return to his village to spend more time with his new wife and family. In the future he will earn his living by working in his big garden, fishing and with village construction projects.

We will miss him dearly and so will many of our guests. We would like to thank him from the bottom of our hearts for his commitment in his many roles at Raja4Divers during more than 10 years.

All the best, dear Yakobus!

«Raja4Rice» is still a big help for everyone

Many thanks to all who have already bought rice, who continue to support the project and also to those who would like to still make a contribution!

Take me to
Raja4Rice

Best wishes from Pulau Pef,

your Raja4Divers team
