

Ein herzliches Hallo von der Insel

Christmas and New Year

Would you like to spend the holidays on Pulau Pef with millions of stars above you?

This year, our resort will remain open from **18th December 2021 until 3rd January 2022** (16 nights, incl. 1 night in Sorong).

Let's keep our fingers crossed and hope we will be able to toast to a happy, healthy and successful new year 2022!

If you are interested, don't hesitate to contact Doris at info@raja4divers.com. She will be happy to assist you with any questions you might have.

We are confident that we will soon be allowed to welcome guests and that travelling to Raja Ampat will be possible again.

For many years already, we have been teaching English to our employees, sometimes more and sometime less successfully.

Despite smoking heads and sweaty faces, we often have a good laugh because - and this is an exceptional quality of the Papuans - they love to laugh at themselves.

Take Gerry from our kitchen team, for example. When asked "What is your job?" he answered from the bottom of his heart: **«I'm working in the chicken!»**

...and couldn't stop laughing at himself afterwards 😊.

Green Thumb

Our long-time employee Loji is in charge of our vegetable and fruit gardens which we have planted in the past months.

In addition to chillies, cucumbers, pumpkins, water spinach and various herbs, the papaya and banana trees are now also thriving:

Loji's solicitous care and tireless efforts are literally bearing **fruit!**

«Raja4Rice» is still needed after 16 months of pandemic

Thanks to your donations for our «Raja4Rice» project, our fifty employees still receive a little salary and some rice for themselves and their families, thereby supporting approx. 400 people - what an incredible number!

TERIMA KASIH BANYAK!

Take me to
Raja4Rice

Many thanks to all who have already bought some rice, to those who continue to support the project and also to the ones that still plan on contributing. Sunny greetings from Pulau Pef!
