

Ein herzliches Hallo von der Insel

### **New Freshness from Head to Toe**

Our jetty and thus «the gateway» to Pulau Pef appears in new splendour: the walls have been renewed, the floors repaired and reinforced and underwater stakes have been replaced.

To crown it all, the roof is being re-covered with sago palm leaves. Everyone pitches in: carpenters, dive managers, boat crew, technicians, dive guides and even employees from our housekeeping and kitchen teams.

*Taking off the old roof*

*News roof mats from our neighbouring village*

*Take a break!*

*The new roof mats are being tied one by one to the frame of the roof by rattan cordes*

The jetty is ready to be **danced on again until it shakes** when our guests arrive and depart!

### Your favourite picture

Marcel has been our technician and all-rounder on Pulau Pef for over 5 years. He and his team keep our machinery in good working order and repair everything that needs fixing.

But Marcel has also become our house photographer and keeps surprising us with his stunning pictures.

**Are you ready to challenge him?**

Send your favourite underwater or overwater photo (one per person) from your holiday at Raja4Divers to the following address: [marketing@raja4divers.com](mailto:marketing@raja4divers.com).

We would like to publish a selection of the submitted photos in our upcoming newsletters under the heading **(your name)'s favourite picture** as well as post them on our social media channels.

Marcel and all of us are looking forward to your picture!

### RED AND WHITE

Every year on 17th August, the Indonesian National Day is duly celebrated and competitions and various games are held throughout the country.

This tradition does not stop at our little island of Pulau Pef. Days before the event, the Pef team was eagerly preparing and decorating the resort. The means at hand were simple, but there was one condition: everything had to be red and white, like the Indonesian flag!

This year, too, there was a lot of laughter and our boys and girls fought for victory with enthusiasm and full commitment.

### Interdive Friedrichshafen 2021

Participating in holiday and dive show is always a very exciting time. We love to tell about our small dive resort on Pulau Pef, attract new guests, see old and new friends of Raja4Divers again and exchange ideas and experiences with partners.

Due to the cost-cutting measures made necessary by the pandemic, we will not be taking part in Interdive Friedrichshafen 2021 and thank you for your understanding.
