PULAU PEF!

WE ARE OPEN!

Our guests are exploring the beauty of the Raja Ampat...

The distinctive, colourful new uniforms...

4 kayaks are now available for guests to enjoy the calm waters of the hidden bays and lagoons surrounding Pulau Pef.

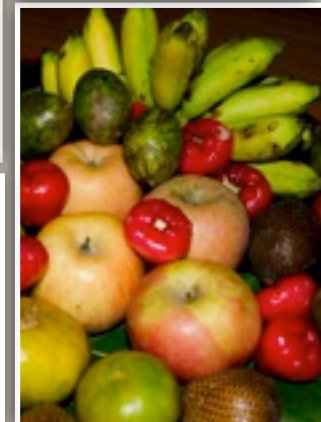

The magnificent calm lagoon behind the main beach, where the kayaker can listen to the sounds of wild birds and marvel at the ancient rainforest trees...

Strategic lighting on the walkways, adds an artful, but authentic touch to the building style....

The restaurant is a perfect place to unwind with a sunset drink and reminisce over the day's diving...

Tasty meals and good company....

Sampai jumpa! (until next time!)
